Toon Boom Studio 1.2.1 Jaguar Ready

Montreal, Canada (September 25, 2002) -Toon Boom Technologies Incorporated, the world-leading supplier of digital production tools to professional 2D animation film and video studios, today announced the release of the final version of Toon Boom Studio v.1.2.1 for Mac OS X Version 10.2, Jaguar. The update is available for free to all licensed owners at www.toonboomstudio.com. Toon Boom Studio can be purchased at the Apple Store online at www.apple.com/store and at all Apple Store retail locations.

Toon Boom Technologies released the final version of Toon Boom Studio v1.2.1 after several months of development while the latest OS from Apple stabilized. Toon Boom Studio developers took the time to ensure that version 1.2.1 takes full-advantage of the features and improvements available in the Jaguar release from Apple.

Toon Boom Studio is a 2D desktop application for creative professionals in character animation, web design and advertising. It is an end-to-end animation production tool that features innovative and powerful productivity and creativity tools, which have received a lot of praise and recognition from experts in the animation industry.
