## Toon Boom Studio Animates The Children's Technology Workshop

(Montreal, April 17, 2003) – Toon Boom Technologies Inc. is delighted to sponsor the Children's Technology Workshop which is dedicated to develop and deliver applied technology curriculum to children. Toon Boom Studio will be the main tool to teach 2D animation to the children attending the 2003 Summer Camp sessions.

With over 8 years of experience designing and testing camp programs and curriculum, their activities are under constant review by their educators, engineers, technologists and enthusiasts. The Children's Technology Workshop believes that computers are more than just a tool for writing and researching and can empower all children to explore, invent and be creative using the right applications with the right direction.

2003 Summer Camp sessions are spread over 9 locations, including Burlington, Oakville, Etobicoke, Mississauga, Scarborough, Toronto, Markham, Richmond Hill and Newmarket. These sessions are 5 days in length and are offered from June 16 thru August 25, 2003. For more information, check out their web site at: [www.icamp.ca](http://www.icamp.ca)
